Product overview brochure

# The world is waiting

This is for pioneers and leaders. Entrepreneurs, who revolutionise our lives and shape our future.

This is for a moment of calm, in a world where time waits for no one. Except you.

This is the most personal Phantom Collection ever made.

The exclusive features of the Phantom Limelight Collection break new ground in opulence. Comprising a limited production of just 25 super luxury cars worldwide, it is available in both Phantom and Phantom Extended Wheelbase.

When time to yourself is the ultimate luxury, enjoy it in a setting that is quite simply without compare.

# A commanding presence

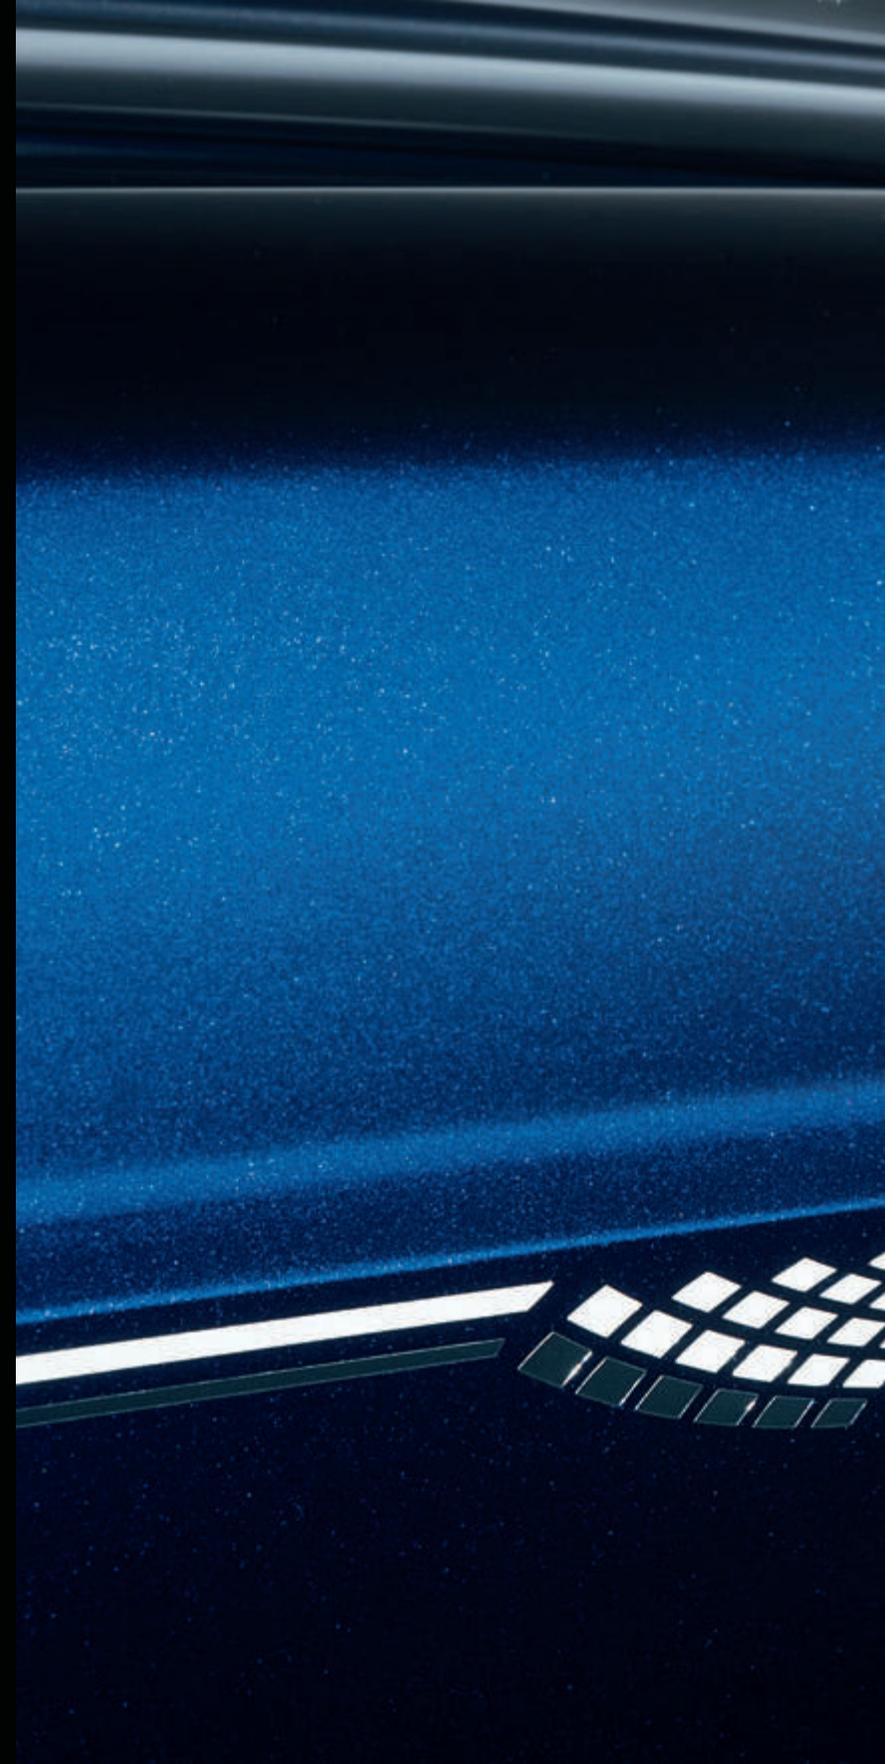

Uniquely striking yet understated, the exterior exudes elegance. At every stage of your journey its entrancing appearance projects the image of unrivalled presence.

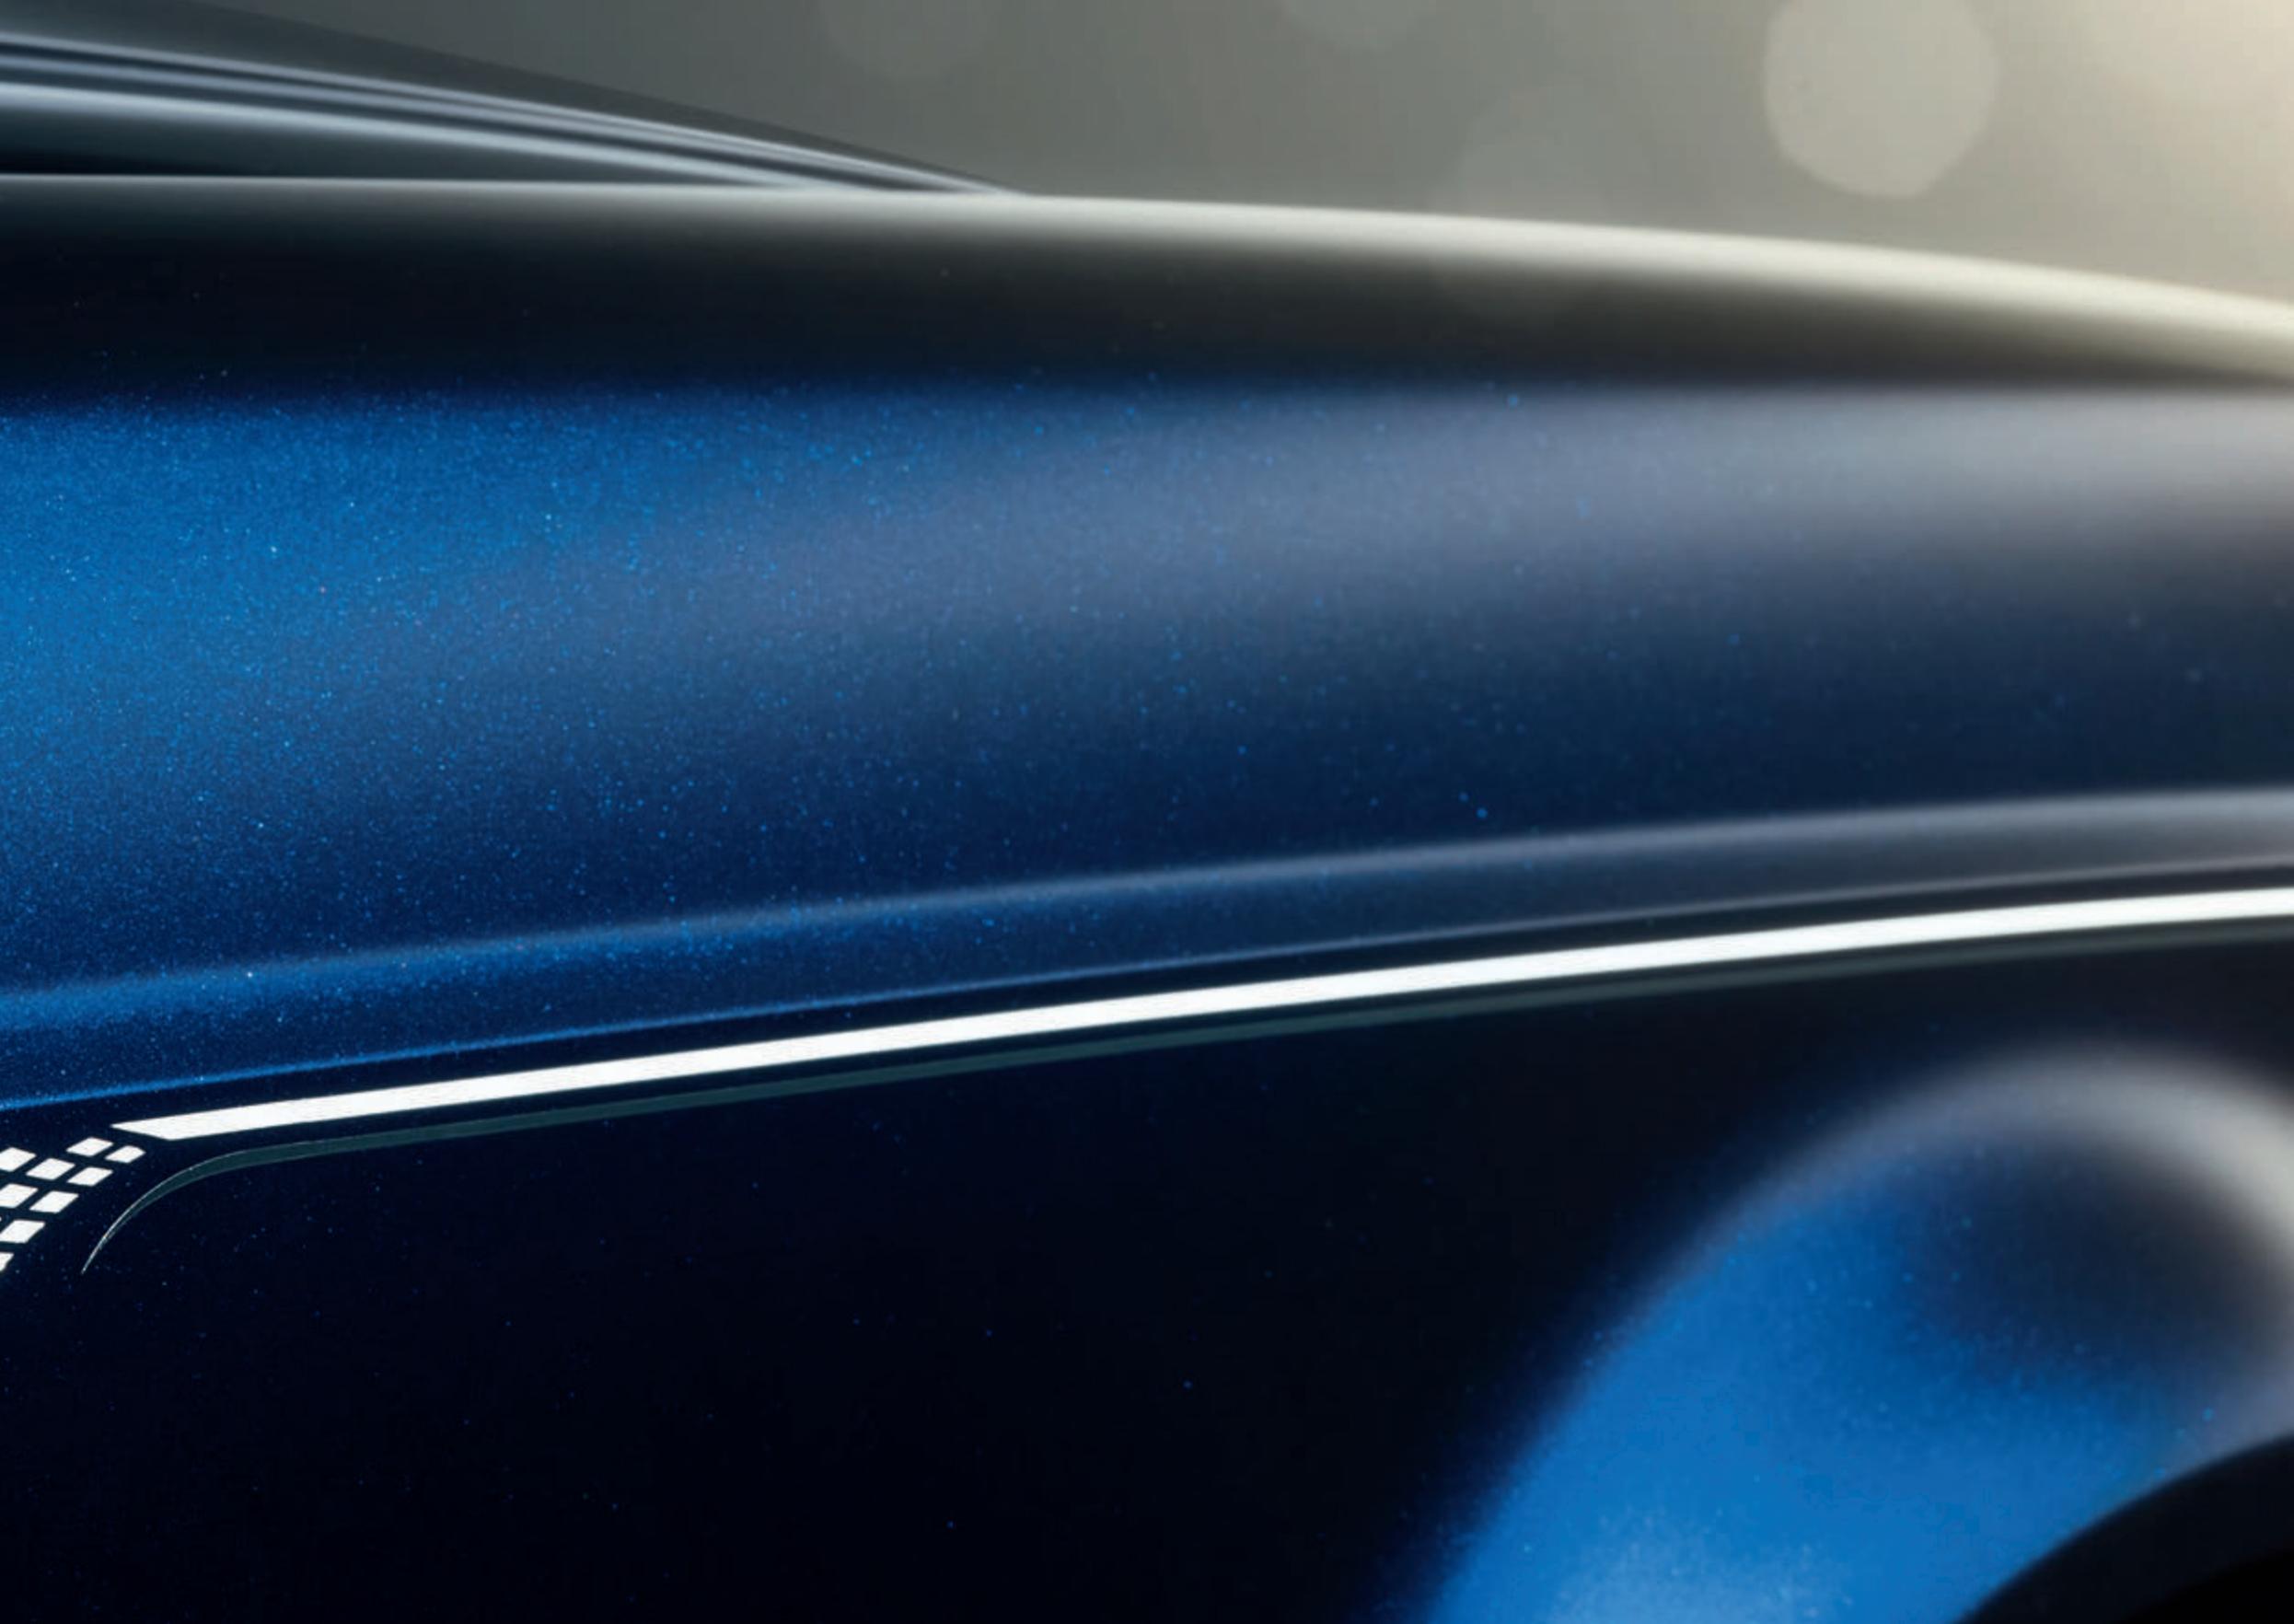

## Gala Blue paintwork

Inspired by night and day, the body of the Phantom comes alive every time light glances off the Bespoke Gala Blue paintwork. Its depth of colour is achieved by the application of multiple individual layers of premium quality pigment.

## Hand-painted Diamond coachline

Meticulously applied by our craftsmen, the Seashell coachline and Bespoke Diamond motif float above a backdrop of rich Navy Blue. Further Diamond motifs on the side and rear are unique to Limelight Collection and a first for Rolls-Royce.

# Nine-spoke part polished alloy wheels

Premiering in the Phantom Limelight Collection, the nine-spoke part polished alloy wheels are the exterior's finishing touch. Whether at rest or in motion, they add an iridescent sheen that is perfectly in keeping with its dynamic presence.

# Prepare in your private sanctuary

Once inside, you will discover exquisite levels of personalisation. Crafted with meticulous attention to detail, they surpass anything that has gone before. Every inch of the interior is crafted to reflect an appreciation of luxury. It is a haven where you can compose yourself in sumptuous surroundings as the world awaits.

Every feature is designed to cosset and relax you. New enhanced rear seating with adjustable head, calf and foot rests has been introduced for the very first time in the Phantom Limelight Collection.

Unique to the Limelight Collection are the extended his and hers Bespoke rear door panniers. They offer a range of spaces to keep your most personal items at your fingertips, to ensure you arrive feeling prepared and looking immaculate.

# Gentleman's door pannier

## Concealed fragrance holder

An illuminated compartment houses three Bespoke fragrance bottles, individually hand-crafted at the home of luxury glassmaking, the Bresle Valley of Upper Normandy, France. They have differentiated stoppers for ease of selection, and integral filters to decant your preferred fragrances.

## Gentleman's accessory Z-box

Exquisitely milled in aluminium and hand-covered in the finest leather; a Bespoke carbon-fibre Z-box offers a concealed storage space along with room for accessories such as collar stiffeners, cufflinks and tie pins.

### Concealed watch holder

A further illuminated compartment neatly houses the timepiece of your choice, ensuring you are ready for every occasion, day or night.

### Smartphone holder

A cushioned alcove provides a secure location for your smartphone.

### Vanity pouches and glasses stowage

A Bespoke vanity pouch created from fashion-grade leather offers space for credit cards, spectacles, stationery and more.

## Double watch/jewellery holder

To ensure you are perfectly accessorised for every occasion, an illuminated compartment neatly houses two watches or bracelets.

## Concealed fragrance holder

A further illuminated compartment houses three fragrance bottles, ensuring you always have the right perfume for night or day. The bottles are Bespoke and hand-made in the Bresle Valley of Upper Normandy, France, famed for its heritage of fine glass-making. Integral filters make decanting easy, and each bottle has a different stopper for the selection of your chosen fragrance.

## Vanity pouches and glasses stowage

This Bespoke vanity pouch in fashion-grade leather provides space for makeup, spectacles, credit cards and more.

## Ladies accessory Z-box

Your valuable accessories like rings and earrings are always at hand with this Bespoke carbon-fibre Z-box. Readily on display, it is meticulously milled in aluminium and hand-covered in premium grade leather.

# Enhanced rear seating

Travelling in comfort is the best guarantee of arriving relaxed and refreshed. So, in an unprecedented design development, our enhanced rear seating includes adjustable headrest cushion, calf rest and electric footrest. The ultimate in ergonomic excellence, they enable you to recline at your favoured angle from the moment you settle into your seat.

# Bespoke two-veneer finish

The two-veneer finish of the interior is unique to this Collection and a first for the Phantom. Piano Seashell has been applied to the door cappings, creating an added dimension of harmony with the interior leather schemes. The effect is to draw the eye to the extended rear door panniers and central console where, in another first, Smoked Chestnut completes the veneer application.

# Bespoke Diamond motif embroidery

The intricate embroidery applied to the central seat flutes, door cards, rear console, and for the first time the picnic table backs, pays homage to Rolls-Royce motor cars of the past. Inspired by our illustrious heritage, the Diamond shape is considered a third, enigmatic symbol of the marque after the iconic Spirit of Ecstasy and the Rolls-Royce monogram. The embroidered motif has been given a new level of detail, incorporating additional facets to catch the light like a precious stone.

## Interior leather scheme

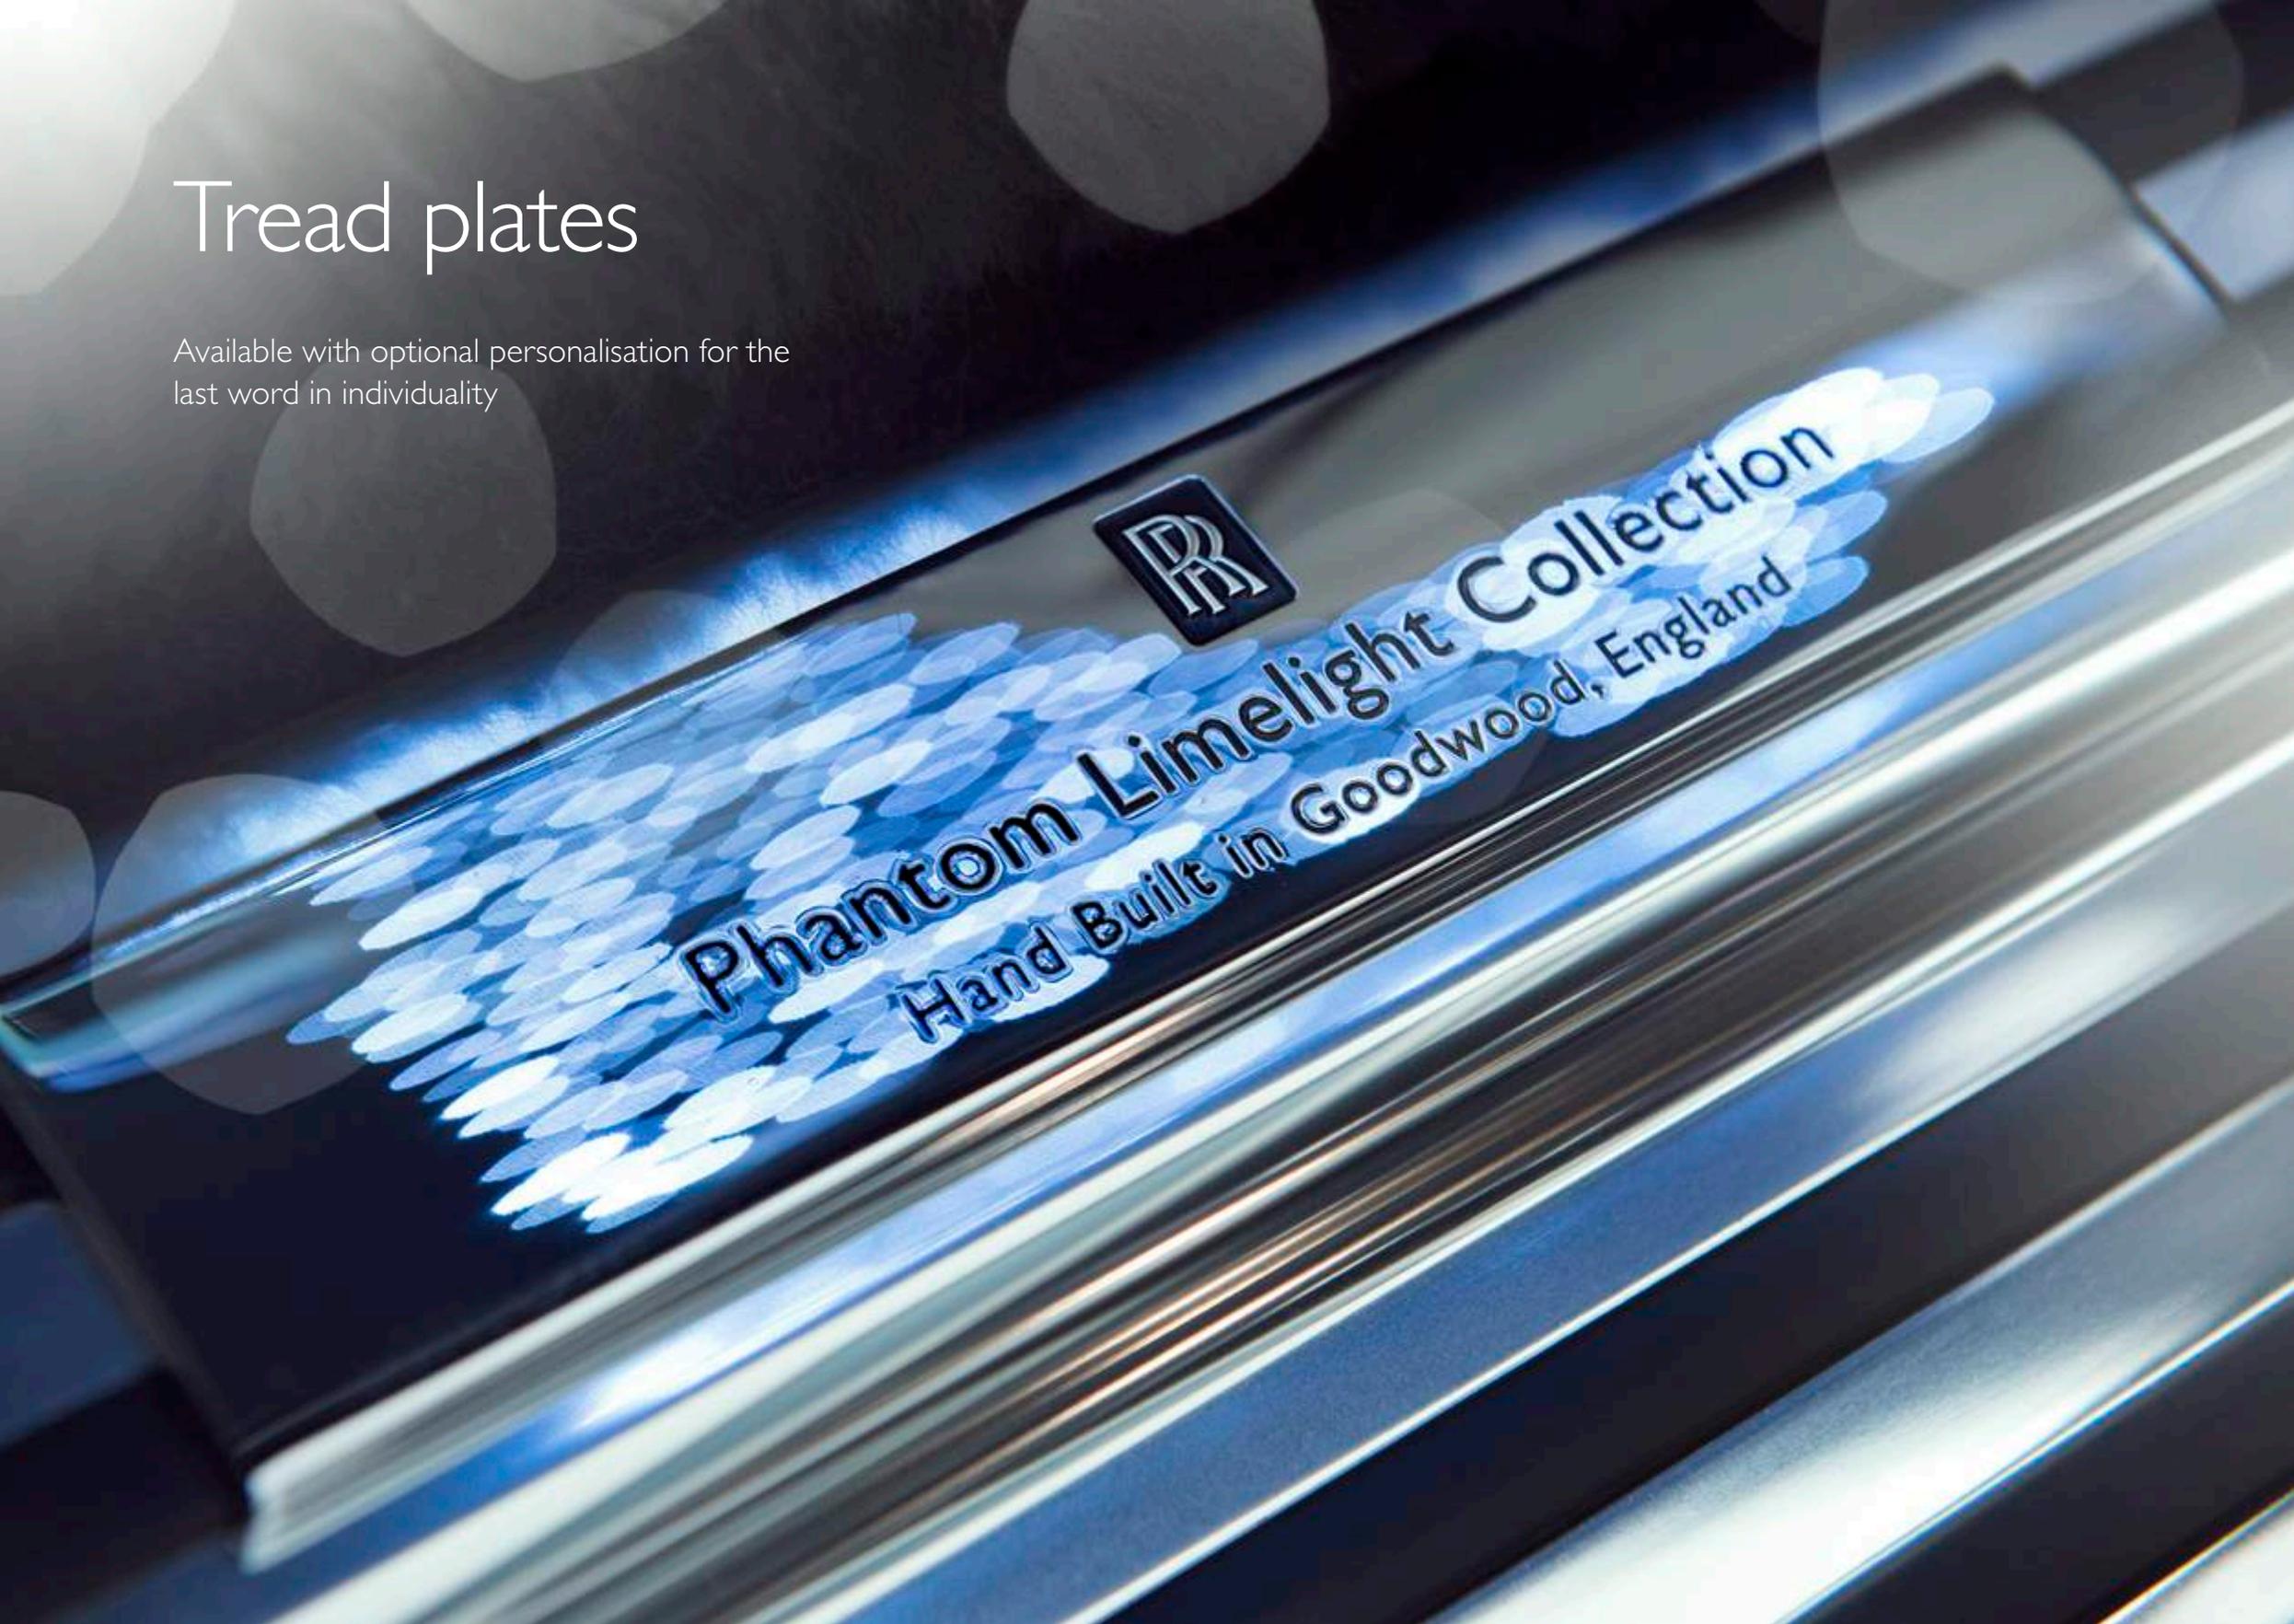

Limelight Collection is exclusively available in two colourways: Seashell with Navy Blue contrast leather and Seashell tone-on-tone stitching; and Navy Blue with Seashell contrast leather and Navy tone-on-tone stitching.

Both are perfectly complemented by Navy Blue Lambswool floor mats.

# Tread plates

Available with optional personalisation for the last word in individuality

# Bespoke clock

Set in the Smoked Chestnut veneer of the main front instrument panel, the Bespoke, two-piece clock face sits in harmony with its surroundings. It draws its influences from the Gala Blue paint exterior and the Diamond motif design that runs throughout the Collection.
