We are a Dealer for the People. That means we put our customers first, before everything else. We believe that everyone deserves to drive a nicer, newer car today. Our business is not selling cars, our business is finding solutions to the everyday problems that keep most people stuck in the car they hate. We're on a mission to change the world by helping people get the car they want and deserve. My goal is to be a trusted advisor in the process.

Tripods & Tripod Head LIGHTER - FASTER - MORE STABLE

Light weight, rugged design, rapid adjustment, outstanding comfort. SWAROVSKI OPTIK tripods are perfectly designed for wildlife observation. However, the three tripods vary in important details such as size, transport dimensions, and weight: these features will help you decide which tripod is best suited to your needs. The perfect addition: the DH 101 tripod head.

AT 101 Aluminum

*The Rugged
Companion*

Do you often have to contend with extreme conditions and need a tripod that can withstand heavy use? The AT 101 aluminum tripod is the right choice for you: not only is it extremely rugged, it also offers a unique viewing height of 190 cm / 74.8 in.
